

Curried Walnut Chicken Puff Pastry

Cooking Instructions

This is an all-in-one dish.

Freezer to Oven: Preheat oven to 400°F. Make sure pastries are well separated before baking. They will rise and spread a little as they bake. Place frozen pastries, uncovered, in oven and bake approximately 30–40 minutes, until golden brown, flaky, and steaming throughout.

Internal temp: 165°F.

Serving Suggestions: Serve with a Spring Mix salad topped with mandarin oranges, sliced almonds, and raspberry vinaigrette. Pinot Grigio.

Please Note: Cooking times are estimates and vary based on actual oven/stovetop/crockpot used, item thickness, and starting temperature. For best results, always verify the internal temperature of your meals. We recommend instant-read pocket thermometers – they are inexpensive, convenient, and very easy to use.
