

Herb Chicken Pastries

Cooking Instructions

This is an all-in-one dish.

Freezer to Oven: Preheat oven to 400F. Be sure pastries are not touching each other before baking. They will “rise and spread” a little bit. Place frozen pastries, uncovered, in oven and bake approx 30-40 minutes until golden brown, flaky, and steaming throughout.

Internal Temperature: 165F

Serving Suggestions: Serve with a Spring Mix salad topped with mandarin oranges, sliced almonds, and raspberry vinaigrette. Pinot Grigio.

Please Note: Cooking times are estimates and vary based on your actual oven, stovetop, or slow cooker, as well as item thickness and starting temperature. For best results, always verify the internal temperature of your meals. We recommend instant-read pocket thermometers – they are inexpensive, convenient, and very easy to use.
