Cornbread Bites

Cooking Instructions

This is an all-in-one dish.

QuickThaw Cornbread Bites: Submerge well-sealed container in warm water for 15-20 minutes.

Cornbread Bites: Preheat oven to 350F. Spoon about 1/4 cup batter into each greased muffin tin or onto a greased cookie sheet. Bake approx 15 min until golden brown.

Serving Suggestions: Our Cornbread Bites are delicious with anything!

Please Note: Cooking times are estimates and vary based on your actual oven, stovetop, or slow cooker, as well as item thickness and starting temperature. For best results, always verify the internal temperature of your meals. We recommend instant-read pocket thermometers – they are inexpensive, convenient, and very easy to use.
